

SPRING SOIL HEALTH FIELD DAY

FREE

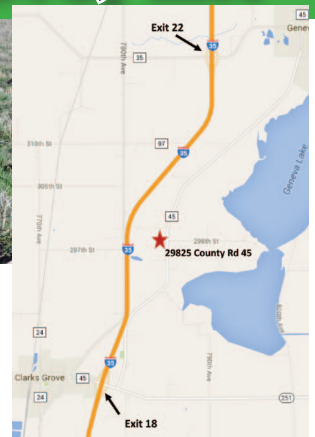

FREE

Sponsored by the Freeborn Soil Health Team

Saturday, May 30, 2015

8:30 a.m. to Noon

29825 Cty Rd 45, Clarks Grove, MN

Featuring Guest Speaker
Daniel Briere
Agronomist, QC, Canada

“Ryegrass: An Extraordinary Athlete Servicing Your Soil...& Your Wallet.”

Learn what it takes to successfully establish & terminate a cover crop in Southern Minnesota, the benefits that healthy soil has on agriculture & the environment & how healthy soil practices can increase your operations ROI & net profit!

ProfitProAG will highlight:

- Benefits of using Cover Crops in conjunction with Manure Applications
- Using Cover Crops in a Corn and Soybean Rotation

This event is free of charge!

Registration is appreciated for meal count.
To RSVP: 507-373-2550
or gquiram@profitproag.com
