

By-O-reg+ Beef

A natural flavoring agent for ruminants

PRODUCT DESCRIPTION: By-O-reg+ Beef is a combination of unique, functional ingredients and technologies that aid in the health, growth and production of animals. By-O-reg+ Beef animal feed supplements are based on purely organic, herbal and natural products. By-O-reg+ Beef boosts the immune system with organic remedies which have substantial advantages over the application of chemicals. By-O-reg+ Beef ingredients are completely natural and organic. Years of research in microbiology, nutrition and health have allowed us to develop and manufacture an innovative, natural feed supplement that improves animal performance, feed conversion and the farmer's bottom line.

INGREDIENTS:

Calcium Carbonate, Corn Distillers Dried Grains with Solubles, Oregano, Inulin, Vitamin C, Grape Seed Extract, Yeast Extract and Cassia.
