Eubio-NBS (LDWE+TM)

Livestock Drinking Water Enhancer + Trace Minerals

PRODUCT DESCRIPTION:

Eubio-NBS (LDWE+TM) is a livestock drinking water enhancer with trace minerals.

Eubio-NBS (LDWE+TM) is biodegradable, non-corrosive and non-irritating.

GUARANTEED ANALYSIS:

Calcium, minimum	0.11%
Calcium, maximum	0.13%
Salt, minimum	0.87%
Salt, maximum	1.12%
Magnesium minimum	1.25%
Potassium, minimum	0.04%
Sulfur, minimum	0.11%

INGREDIENT STATEMENT:

Magnesium chloride and salt.

DIRECTIONS FOR USE:

Usage is dependent upon system variables and targeted efficiencies. System enhancement can be achieved at rates of 15 ppm to 50 ppm per daily flow rate. A rate of 25 ppm is a good starting point. The rate can be adjusted up or down depending on animal performance. If the animal's stool becomes loose, lower the rate.

STORAGE:

Normal warehousing. Product is freeze/thaw stable. Shelf life three years.

ORGANIC CERTIFICATION:

Growers/producers are required to contact their organic certifying agency for approval of this product in organic production.

LIMITATION OF LIABILITY:

Due to system variations and other additives that may be present, please discuss usage of Eubio-NBS (LDWE+TM) with our technical representative. Eubio-NBS (LDWE+TM) has no known negative impact on natural biological processes.

KEEP OUT OF REACH OF CHILDREN
