

By-O-reg+

A natural flavoring agent for broilers

PRODUCT DESCRIPTION: **By-O-reg+** is a combination of unique, functional ingredients and technologies that aid in the health, growth and production of animals. **By-O-reg+** animal feed supplements are based on purely organic, herbal and natural products. **By-O-reg+** boosts the immune system with organic remedies which have substantial advantages over the application of chemicals. **By-O-reg+** ingredients are completely natural and organic. Years of research in microbiology, nutrition and health have allowed us to develop and manufacture an innovative, natural feed supplement that improves animal performance, feed conversion and the farmer's bottom line.

INGREDIENTS:

Calcium Carbonate, Soybean Hulls, Oregano, Inulin, Yeast Extract and Cassia.

By-O-reg+ Benefits:

- Promotes overall health and lower mortality
- Prevents and reduces the adverse effects of microbial diseases
- Improves performance and benefits
- Natural product
