

By-O-reg+ M/R™

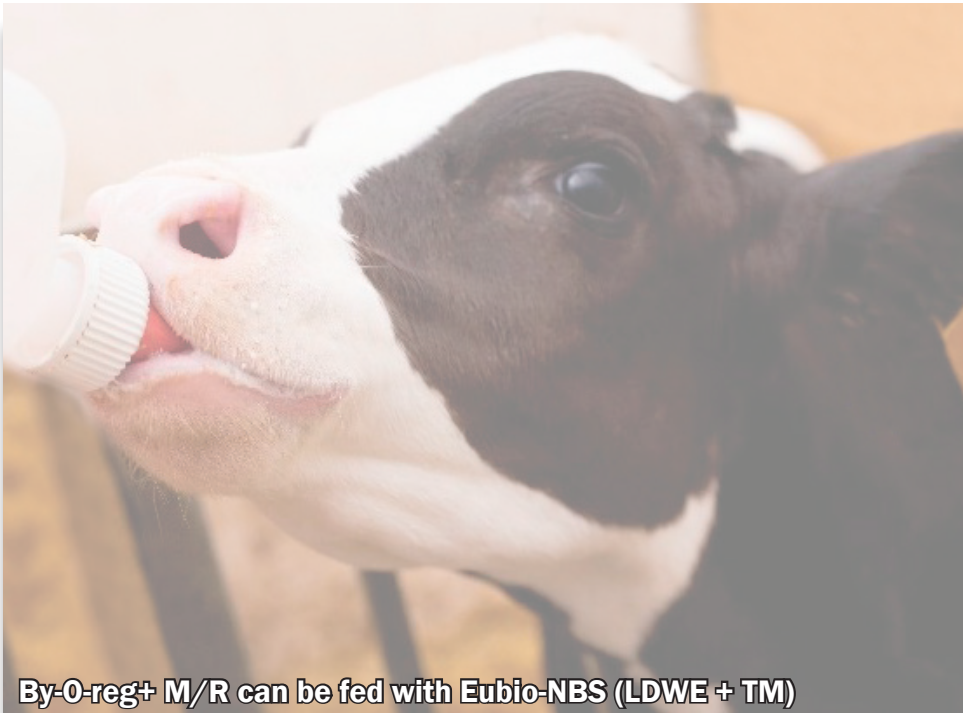

A natural prebiotic agent used in milk for dairy calves

PRODUCT DESCRIPTION: By-O-reg+ M/R is a combination of unique, functional ingredients and technologies that aid in the health and growth of dairy calves. By-O-reg+ M/R milk replacer supplement is based on purely organic, herbal and natural products. By-O-reg+ M/R boosts the immune system with organic remedies which have substantial advantages over the application of chemicals. By-O-reg+ M/R ingredients are completely natural and organic. Years of research in microbiology, nutrition and health have allowed us to develop and manufacture an innovative, milk replacer supplement that improves dairy calf performance and the farmer's bottom line.

INGREDIENTS: Dextrose, Chicory Root Extract, Oregano Oil Extract, Yeast Extract, Cinnamon Oil Extract and Anticaking Agent.

DIRECTIONS FOR USE: Feed By-O-reg+ M/R at the rate of 0.5 gram to 1 gram per head a day to dairy calves receiving milk replacer. Consult with your ProfitProAG representative for additional feeding recommendations.

STORAGE: Store under cool and dry conditions.

By-O-reg+ M/R supports a healthy start for a strong finish.

Benefits:

- High-quality, consistent source of ingredients
- Highly soluble
- Time release technology
- Helps create a healthy microbiome
- Promotes a strong immune system
- Improved weaning transition

By-O-reg+ M/R provides an all natural method to minimize stress.

By-O-reg+ M/R can be fed with Eubio-NBS (LDWE + TM)

**IMPROVED HEALTH
IMPROVES PERFORMANCE**

Eubio-NBS (LDWE + TM) Drinking Water Enhancer

PRODUCT DESCRIPTION: Eubio-NBS (LDWE + TM) is a water enhancer with trace minerals that has a positive impact on natural biological processes that are essential to optimize livestock operations. Eubio-NBS (LDWE + TM) is biodegradable, non-corrosive and non-irritating.

Mixing instructions for adding Eubio-NBS (LDWE + TM) to By-O-reg+ M/R Supplement: Dilute 10 oz of Eubio-NBS (LDWE + TM) into 118 oz of water to make 1 gallon of stock solution. Add 1 oz of the stock solution into one gallon of the By-O-reg+ M/R final feeding mix.
