

# Swine-Time

## A Daily Nutritional Supplement for Show Pigs

### GENERAL INFORMATION:

**Swine-Time** is a supplemental daily nutritional top dress for **Show Pigs** of all ages. It is comprised of vitamins, minerals, trace minerals, amino acids, prebiotics and probiotics.

**Usage Rate:** 1 oz per 100 lbs of body weight per head per day.

**Swine-Time** is available in 5 or 10 pound bags. Scoop enclosed.

**Storage:** Store in a cool dry environment, avoid excessive moisture and reseal unused portions.

### Testimonial:

*“We are seeing very good results and response by feeding Swine-Time and noticing excellent growth performance. Pigs are developing extra muscle mass with expression and maintaining great skin and hair coats. We haven’t had any single health issues since feeding Swine-Time, and pigs seem very alert and assertive in their attitudes.”*

— 4-H family  
Albert Lea, MN

**Swine-Time** is a 45 day show pig supplement with no slaughter withdrawal.

Congratulations to Anthony Rasmuson for exhibiting the 2015 Grand Champion Gilt at the Minnesota State Fair. This pig was fed Swine-Time.
