

# BioNurture™

**BioNurture** is a consortium of diverse beneficial microorganisms, with a food source, for in-furrow and preemergent broadcast and sidedress soil applications. **BioNurture** with its diverse population of beneficial microorganisms ensures the soil and plant are able to efficiently work together to maximize the plant's growth and productivity.

**BioNurture** will enhance the microbial digestion of in-field crop residue and applied manures. **BioNurture's** diverse microbes will release nutrients tied up in the residue and the soil. **BioNurture** contains nitrogen fixing microorganisms. The microbes that make up this robust team are not genetically modified, non-pathogenic, and 100% naturally occurring.

## INGREDIENTS:

Active Ingredients	Percent
Mixture of microbial strains . . . . .	5.35% (nominal)
<b>Other Ingredients:</b>	
Organic Acid . . . . .	0.26%
Water . . . . .	94.39%
Total . . . . .	100%

## APPLICATIONS INSTRUCTIONS:

For best results, shake before using since settling can occur. If combining with other products avoid having them mixed together for extended periods of time. Some chemicals can be detrimental to the microbes. If mixing with other products, it is best to mix shortly before the application (just in time). Perform a jar test to ensure compatibility.

Apply **BioNurture** at 32 oz/A in-furrow, at-plant or as a soil surface broadcast application alone or with starter fertilizer. Can apply as an in-season sidedress

or drop nozzle application. Can apply with preplant or preemergence herbicide and with liquid nitrogen. If mixing with other products, it's best to mix shortly before the application.

To enhance performance, apply with Eubio-NBS (c10) at 10 oz/A. When mixing **BioNurture** with 10 oz/A of Eubio-NBS (c10), the **BioNurture** rate can be reduced to 24 oz/A. Eubio-NBS (c10) is a natural biological stimulant that can enhance the microbial activity and natural balancing of the soil.

**IMPORTANT NOTICE TO PURCHASER:**  
Seller's and manufacturer's only obligation to a purchaser or user of this product shall be to refund the purchase price or to replace the quantity purchased of any defective product. In no event shall seller or manufacturer be liable to a purchaser or user of this product for any claim for any economic, indirect, special, incidental or consequential damages, or for any injury, loss or damage, direct or indirect, to any person or property. Purchaser of this product expressly acknowledges and agrees to these terms.

**CAUTION FOR HUMAN CONTACT:**  
May cause skin and eye irritation. Avoid contact with skin, eyes, and clothing. Avoid breathing spray mist.  
**IF ON SKIN:** Immediately flush skin with plenty of soap and water while removing contaminated shoes and clothing. Wash clothing before re-use. Destroy contaminated shoes. Seek medical attention.  
**IF IN EYES:** Get medical attention immediately. Do not allow victim to rub or keep eyes closed. Extensive irrigation with water is required (at least 30 minutes).  
**IF INHALED:** Get medical attention immediately. Remove to fresh air. If not breathing, give artificial respiration. Give oxygen if difficulty breathing.  
**IF SWALLOWED:** Do not induce vomiting. If the victim is conscious and alert, give 1 - 2 pints of milk or water. Never give anything by mouth to an unconscious person. Get medical attention immediately.
