

# Manure Master™ FoamAway

**Manure Master FoamAway is a concentrated dry blend designed to knock down microbial foam in swine storage facilities.**

## Benefits of

### Manure Master FoamAway:

- Can eliminate foaming in manure pits within 10 days!
- Residual abatement of pit foam lasts up to two months.
- Dry formulation and easy to apply.
- Reduces the hazard potential with foaming manure pits and regains pit capacity.

## INGREDIENTS:

Natural-occurring, unaltered oxidized lignite, monensin sodium and diatomite, calcium montmorillonite carrier.

## TREATMENT PROTOCOL:

- Use 5 pounds (lbs) per 100,000 gallons manure.
- Broadcast product evenly onto the surface of manure pits and loadouts. After surface application, the product can be watered into the manure for faster foam knockdown. **Sweep leftover product on floor surface into pit to eliminate product access by pigs.**

**KEEP OUT OF REACH OF CHILDREN**

**WARNING:** Disturbing hog pits and/or pit foam can result in the release of **FLAMMABLE GASES**. Before application of this product, please ensure proper ventilation to prevent the accumulation of flammable gases and extinguish all potential ignition sources, including heaters, electrical, do not smoke, etc. Failure to follow these instructions may result in a fire or explosion. Fire or explosions can lead to property damage, personal injury or loss of life.
