

# Herbolyte™ Plus

pH 3 - 3.5

An Excellent Liquid Adjuvant

1-0-0

## GENERAL INFORMATION:

Designed to enhance herbicide performance, **Herbolyte™ Plus** supplies a blend of micronutrients as well as modifies spray solution pH and water hardness. The ingredient blend in **Herbolyte™ Plus** has been found to promote herbicide uptake (such as glyphosate) in agricultural applications. **Herbolyte™ Plus** is designed to be used with glyphosate products without the adjuvant additions.

**Herbolyte™ Plus** advantages include faster weed burndown and active crop growth after herbicide application while the micronutrient blend assures adequate nutrient availability for the crop.

## RECOMMENDED USAGE RATES:

**Herbolyte™ Plus** usage rate is 16 ounces per acre. Refer to herbicide label for application timing. Add **Herbolyte™ Plus** to spray carrier before the addition of glyphosate or other herbicide products (follow label rates for herbicide use or talk to a ProfitProAG Representative before use).

- Contains a blend of micronutrients
- Promotes herbicide uptake (such as glyphosate)
- Can be mixed with other foliar plant nutrients
- Modifies solution pH and water hardness
- Improves pesticide efficiency
- Easy to mix

**SHAKE WELL BEFORE USING**

FOR AGRICULTURAL USE ONLY

## GUARANTEED ANALYSIS:

Nitrogen (N) .....	1%
1% Urea Nitrogen	
Boron (B) .....	0.03%
Cobalt (Co) .....	0.001%
Copper (Cu) .....	0.07%
0.07% Soluble Copper (Cu)

## IMPORTANT NOTICE TO PURCHASER:

Seller's and manufacturer's only obligation to a purchaser or user of this product shall be to refund the purchase price or to replace the quantity purchased of any defective product. In no event shall seller or manufacturer be liable to a purchaser or user of this product for any claim for any economic, indirect, special, incidental or consequential damages, or for any injury, loss or damage, direct or indirect, to any person or property. Purchaser of this product expressly acknowledges and agrees to these terms.

**CAUTION:** This product contains boron and should be used only as recommended. The use of this fertilizer on any crop(s) other than those recommended may result in serious injury to the crop(s). **Warning:** This product contains Molybdenum and is for use on soils that respond to Molybdenum. Crops high in Molybdenum are toxic to grazing animals (ruminants). Do not exceed the recommended rate.
