

# Fulltec Adjuvant

## GUARANTEED ANALYSIS:

Nitrogen (N)	7%
Available Phosphate (P <sub>2</sub> O <sub>5</sub> )	17%

## DIRECTIONS FOR USE:

**FOLIAR:** 2.0 fl oz/A as adjuvant  
2.7 fl oz/A with Diphenylether herbicides  
15-18 fl oz/100 gallons of water

For ground application, use water volume of 10 to 25 gal/A. For aerial applications, use 2 to 4 gal/A.

**CROPS:** Soybeans, corn, wheat and cereals/small grains, beans, potatoes, sugar beets, cucurbits, nursery crops, nut crops, ornamentals, peanuts, pulse crops, rice, sod/turf, vegetable crops, cotton, sunflowers, berries, apples, grapes and citrus.

**COMPATIBILITY:** This product can be used/mixed with pesticides, but a "jar compatibility" test should be conducted for unfamiliar mixes in order to determine compatibility.

**TANK MIXING INSTRUCTIONS:** Mixing sequence when used with pesticides: 1. Water, 2. Fulltec. 3. Pesticide (Herbicide/Insecticide/Fungicide). If sequence for a product to be mixed is unknown, refer to the product label for specific instructions.

Add 1/2 total water to the tank and turn on agitator. Add prescribed amount of Fulltec. Add herbicide, insecticide or fungicide. Bring tank water volume to desired level. It is not recommended to use additional adjuvants with Fulltec.

## STORAGE & DISPOSAL:

**Protect product from freezing (store above 32°F) and avoid temperature heat.** Store product in the original container. Keep tightly closed, in a cool, dry area. Store out of the reach of children and animals. Avoid contamination of water, food or feed with equipment cleanup and disposal of the product spray waste. After use, rinse thoroughly and dispose the container according to local, state and federal regulations. Product best when used within three years of manufactured date.

**KEEP OUT OF REACH OF CHILDREN**

## IMPORTANT NOTICE TO PURCHASER:

Seller's and manufacturer's only obligation to a purchaser or user of this product shall be to refund the purchase price or to replace the quantity purchased of any defective product. In no event shall seller or manufacturer be liable to a purchaser or user of this product for any claim for any economic, indirect, special, incidental or consequential damages, or for any injury, loss or damage, direct or indirect, to any person or property. Purchaser of this product expressly acknowledges and agrees to these terms.

## CAUTION FOR HUMAN CONTACT:

**IF SWALLOWED:** Do not induce vomiting unless told to do so by a poison control center or a doctor. Seek medical attention. **IF IN EYES:** Immediately flush eyes with clean water for at least 15 minutes. If irritation persists, seek medical attention. **IF ON SKIN:** Remove contaminated clothing and wash skin with soap and water. Seek medical attention if irritation persists. **IF INHALED:** Move victim to fresh air. If victim stops breathing, provide artificial respiration, if needed, seek medical attention. If contact is made with the spray solution containing pesticide(s), follow the "statement of practical treatment/first aid" on the pesticide label.
